

Basil-Honeydew-Coconut Water Slush

This super-healthy drink is so delicious and cleansing. I couldn't imagine a more refreshing drink on a hot day! It's also very high in Vitamin C and potassium, so it's great if you've just finished a workout or have a cold.

Makes 2 and ½ cups

Ingredients

- ½ cup packed fresh basil
- 1 and ½ cups cubed honeydew melon
- 2 tsp. agave nectar
- ½ cup coconut water
- 1 and ½ cups ice

Directions

- 1) Blend everything together until smooth. Top with a basil leaf to garnish.
